

# WE'RE PROUD PARTNERS OF:

## ABOUT US

CHARGER Kft. provides comprehensive HVAC solutions for commercial, institutional, and industrial buildings.

Our services cover the full lifecycle of building engineering systems – from sales & installation to maintenance and system optimization, with brands such as Samsung and Daikin. As a service partner of CIAT's Hungarian distributor, we receive all necessary parts and support.

We work with:

- healthcare & educational institutions,
- museums & cultural facilities,
- sports complexes,
- residential spaces & office buildings.
